### and what have you

by BOB CRAIG

It seems to be the responsibility of the newspapers to take their readers on a tour of the past year as if most of the people were not glad to have the year behind them and just thankful that they survived it.

But since this is the accepted thing for a paper to do, we will devote some of this space this week to looking over some of the accomplishments of this past year in Hamlin.

The new church plants of the First Methodist Church and the First Baptist Church were not only of great benefit to the two congregations but also fine contributions to the city of Hamlin.

There has been an unusual amount of remodeling and building in the downtown area which will add to the city's future for a long time to come.

Also on the building line, there has been a large amount of residential building of the type that will benefit any city. During this past year, the city has received its "Master Plan from the engineers and, if used properly, could be the biggest event of the year for the City of Hamlin.

The BCD is winding up a good year under the direction of Robert Fowler. The organization has spent a great deal of effort during the year on trying to secure a Rest Home and a Motel for Hamlin. Both of these goals seem to be nearer a reality as the new year rolls around. The organization is financially sound again and is in a position of being able to accomplish more and more with each coming year.

The top projects of the year for the Jaycees this past year would be the downtown sign board which is being operated by the BCD and the miniature golf course in the City Park.

The Riding Club held another successful rodeo this past summer and completed the construction of a large grandstand, making their arena an even more valuable asset to the town.

In the same area, the FFA boys, along with the help of interested citizens, completed work on their project barn and for the first time they will have adequate facilities for handling the Jones County Livestock Show to be held here this year.

Work has been done at both the Little League and the high school baseball fields during the past year to make them better serve the public.

Quite likely, I have overlooked many other accomplishments of the citizens of this town during this past year. But enough progress was made in 1962 to present a strong challenge to 1963.

The fight for the future of the smaller cities is a demanding one but with the proper leadership and the determination of the public there is a great future ahead for the smaller cities that are making an effort to improve each year.

With the new postage rates going into effect next Monday it seems to be a good time to run the following written by Don Robinson in "The American Press."

"There was a time when I had the naive notion that postage rates should be increased by enough to put the Post Office on a pay-as-you-go basis.

"But after having watched two increases go through with each one immediately followed by a raise in pay for all postal workers, it is more and more apparent that Congress never did have any intention of putting the Post Office on a sound fiscal basis.

"I have no personal objection to postal workers getting a raise in pay, but I do vehemently object to this repeated, sneaky method of going about it. I refer to the practice of waiving the Post Office deficit before our eyes, trying to make us think that postage rate increases must be enacted to help reduce the deficit—and then immediately using the anticipated new revenue for an election time pay-off to government workers.

"I have heard no mention of

## TWO NEW FACES ON JONES COUNTY COMMISSIONERS COURT

Leon Thurman, newly elected county judge of Jones County, heads the county and commissioners court which consists of five other county and four precinct officers.

Thurman and Harrell Boyd of Prec. 2 are two new members of the court. Both were elected last year. Boyd defeated the incumbent Hollis Haynes in the run-off primary. Thurman succeeds Pete Andrews of Stamford who did not seek re-election.

Other officers sworn in on Tuesday, who were re-elected without opposition, were J. E. Touchstone, commissioner, Prec. 4; Roy Thorn, county clerk;

### Same Stonewall County Officials Return to Office

Stonewall County officials, who were elected without opposition in Aspermont in 1962, will be returning to the same positions with new terms.

The officers are: County Judge A. B. Barnett, County District Clerk Pat Mitchell Jr., County Supt. Thelma Smith, County Treasurer Sally Wright, Commissioners Ervin Gholston of Prec. 2 and E. D. Ellison of Prec. 4; and Justice of the Peace A. F. Baugh of Prec. 1.

### Jones County TB Seal Sales Hit \$1,678.75 Mark

Returns from the sale of Christmas seals by the Jones County Tuberculosis Association continue to come in as the total reaches \$1,678.75 for the county. Mrs. H. H. Dorley, seal chairman, reports this total as of Jan. 2.

Stamford leads the tally with \$548.00 followed by Hamlin with \$541.20. Other towns have contributed as follows: Anson, \$306.85; Avoca, \$60.50; Hawley, \$45.00 and Lueders, \$92.00. \$65.20 was received from the bangle pen sale held in Stamford.

Mrs. Corley and L. E. Milon Jr., president of the association, urge everyone to make their contribution as soon as possible.

The Jones County TB Association paid for approximately 1800 TB notch tests that have been given to the Jones County school children.

what the Post Office department intends to do next about the deficit, now that the added revenue has already been channeled to the pockets of the postal workers. But I would assume the Post Office leaders will just have to adopt the spirit of Congress and learn to live with their deficit in the same manner that Congressmen have learned to be completely undisturbed by the rest of the national debt.

"There would seem to be little use in making another stab at postage increases for debt reduction, for a presidential election is just over the horizon, and what Congressmen could resist giving any new increase which might be enacted to those millions of government workers who need to be assured, as they prepare to go to the polls, that father Congress is looking after them.

"The new slogan seems to be: Billions for voters but not one cent for debt reduction."

It appears to me that most of the Post Offices' problems are not money problems but are political and bookkeeping problems.

All of the mail sent out by our Congressmen and Senators is carried free without any credit given to the Department for this service. It would seem that if Congress is going to worry about the Postal deficit it should give each Congressman a postal allowance and let him pay the Post Office for his mail. This would not save or create any money but it would at least put the Post Office under a better light.

But then if you got their mess straightened out somehow might decide that some of that other mess up there should be straightened out too, and what politician wants that.

W. L. McDonald, county clerk; D. E. White, county treasurer, and Everett Beaver, county superintendent.

Other precinct officers include Justices of the Peace Albert Story, Anson; W. W. Woods, Hawley; Roscoe Hood, Stamford and J. B. Eakin, of Hamlin.

Carryover county officials are Dave Reeves, sheriff; A. J. French, tax assessor-collector and Charlie Brownfield, county attorney.

Roy Arledge of Stamford was sworn-in in November as the new state representative of the district to succeed Leon Thurman of Anson.

### Ed Perkins Takes Over as Fisher County Judge

Ed Perkins of Roby, former Fisher County school superintendent assumed the responsibilities of his new position Tuesday as Fisher county judge.

Perkins succeeds Dave Posey, whom he defeated for the office in the election last November. Posey has recently been named general manager of the City of Rotan.

The county judge will have added duties since voters abolished the office of county superintendent last year; those responsibilities have been added to the duties of the county judge. C. J. Dalton is the retiring school superintendent.

Other action taken by the Fisher County voters included the retaining of the district clerk office. Nealy A. Mort-n was elected to another term in that position.

County Clerk John Ashley, County Treasurer Ina Goodwin and commissioners Jerry Crowley of McCaulley and Prec. 2, and Thurman Terry of Roby and Prec. 4 were also re-elected in the Nov. election.

This meeting is especially designed to be of help to farm families who want to set up a system of record book keeping for their income tax returns.

Mr. and Mrs. J. L. Parker had as guests in their home during the Christmas holidays, his son, Luther Parker of Los Angeles, Calif., and her daughter, Mrs. Gene Presnall and daughter of Midland.

## AGENT EXPLAINS HOW NEW TAX LAWS WILL AFFECT FARMERS

During the last session of Congress important legislation relating to income tax payments was passed. Among the changes were depreciation and tax credit on certain types of assets used in farm and ranch operations as well as other businesses. County Agent, Kirby Clayton reports.

The investment credit provision is a tax credit of 7 percent, computed on the purchase or investment in depreciable, personal property during 1962 and thereafter. Live-stock, including race horses, are excluded from the list of eligible items. Clayton points out. The credit is given only for the tax-year in which the business asset is acquired and includes such items as tractors, combines, trucks, cotton harvesters and new fences.

Here is an example of how the investment credit provision works. Assume a tractor is purchased in November 1962 for \$5,000 with no trade-in. The useful life of the asset determines the amount of tax credit allowed. If the tractor is set up on a life of 8 years, a full 7 percent of the purchase price or \$350 is credited on the

## SERVICES HELD MONDAY FOR E. A. EATON

Services for Lewis A. Eaton, 79, were held Monday at 2 p.m. in the Calvary Baptist Church with the pastor, Rev. John H. Barleson, pastor, officiating.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN—House Textbook Investigating Committee ended its work on a sour note.

"This has been a most disagreeable experience," was the "understatement" of Committee Chairman Bill Dungan of McKinney as he brought the gavel down on the committee's final session before the Legislature meets on January 8.

The five-man group is split five ways. As a result, they will file individual reports on the results of the committee's several stormy sessions.

In addition to Representative Dungan, the committee is composed of Representatives John Alaniz of San Antonio, Bob Bass of DeKalb, Nelson Cowles of Hillsboro, and Ronald Roberts of Hillsboro. They took months of testimony concerning the contents of textbooks used in public schools.

As the final session ended, members were accusing each other of attending or not attending the now-famous Dallas hearing—at which Ex-Governor Edwin A. Walker testified—"for political campaign reasons."

They did get harmonious long enough to decide to publish five individual reports, in alphabetical order, in one volume, and not to include two petitions presented at the meeting.

However, these are the only points on which the committee arrived at a meeting of the minds.

Roberts and Alaniz both maintained that the present system of textbook selection in Texas is the best in the nation. Alaniz charged that textbook hearings have been "dominated by the ultra right and the John Birchers."

Chairman Dungan and Cowles have not publicized their views yet.

Paul C. Vogler Jr., of Corpus Christi was one of the petitioners at the meeting. He urged continuation of textbook investigations.

Another petitioner, the Rev. William S. Arms of Austin presented a "redress of grievance." Then he announced his intention to add 20,000 signatures to it at the upcoming Baptist convention in Fort Worth.

**TICKET TAX MAY END.**—Texas Commission on State and Local Tax Policy, headed by Sen. George Parkhouse of Dallas, added two more recommendations to the long list of proposals it will submit to the 58th Legislature.

One was to repeal the admissions tax, which brought in an annual \$353,000 from movie showings, operas, plays and other amusements before a recent court decision invalidated part of the proceeds.

Parkhouse said, "It seems obvious that the admission tax as now drafted is a failure."

Also recommended was creation by the Legislature of a permanent tax study commission, to be aided by the Texas Research League, and financed with a maximum annual operation fund of \$5,000. The research league is a non-profit organization.

**FAREWELL BUDGET.**—Outgoing Gov. Price Daniel has proposed the largest budget in the state's history, for legislative consideration. He says the budget can be met without new taxes.

Daniel recommends spending \$3,100,000,000. That is \$247,000,000 more than the present appropriation.

His budget incorporates recommendations for salary increases in many state departments. State highway patrolmen would be among those getting raises under Daniel's plan. He suggested a starting salary of \$6,000 a year—\$1,000 more than they get now. He derided the present policy of paying them on the same scale as city lawmen.

Daniel said, "These men frequently work around the clock and you can't expect such devotion from men who are paid on a 40-hour-a-week basis."

He also asked the 58th Legislature to boost salaries of state-employed physicians; juvenile parole officers; employees of the Texas Water Commission; and teachers in all levels of education, among others.

Basically, except for higher education, the Governor's budget proposes continued operations at present levels for all state agencies and services, plus necessary funds to meet

**COLLEGES UPGRADED.**—Daniel also urged upgrading of public junior colleges and state-supported universities, and recommended larger library appropriations and 16 per cent teaching salary increases—two things college administrators have cried for for a long time.

He proposed that the 24 junior colleges be allotted \$16,000,000 for the 1964-65 school years. This is \$3,000,000 less than administrators requested, but \$1,500,000 more than the current appropriation.

Much of this increase would be used to cover \$300 annual pay raises for teachers.

Daniel advocated \$15,200,000 to cover a 16 per cent increase in teacher's salaries; \$2,700,000 additional funds for research in the state's 20 state-supported senior colleges, and \$2,300,000 additional for libraries.

He based his proposals on the recommendation of the Commission on Higher Education that tuition be doubled to \$200 a school year. But he explained that 4,500 scholarships for \$100 a year would be available, "to keep young people in college."

**APPOINTMENTS ANNOUNCED.**—Daniel filled several vacancies on state boards and commissions, but said he would leave appointments on the University of Texas and Texas A&M boards to his successor, John Connally. These appointments are due to come up early in January.

He named the following to the board of regents of Lamar State College of Technology: Jai Peyton Jr. and Otto Plummer of Beaumont; J. G. Bertman Jr. of Liberty; and A. H. Fontagne of Orangefield.

He appointed Sam W. Freas of Livingston as criminal district attorney of Polk County, to fill the vacancy caused by Sidney H. Adams' resignation.

Jake Jacobsen, Austin attorney, who served with Daniel as assistant attorney general and executive assistant in the U. S. Senate and at the governor's office, will succeed Dr. D. White of Waco on the Public Safety Commission.

Dr. White and Fred Hartman, editor-publisher of the Laytown Sun, were appointed to the State Library and Historical Commission.

He re-appointed Clifford L. Davis, personnel director for the city of Amarillo, and Dan Nixon, Lampasas' city manager, to the Municipal Retirement Board.

Daniel also named to the lower Concho River Water and Soil Conservation Authority Joe Brosig of Paint Rock; Lambert Abernathy of Millersburg; and W. R. Loveless of Eden.

**PERSONAL INCOME TAXES.**—Texans entered the final two months of 1962 with their personal income up 4.6 per cent over the first ten months of 1961.

This year, according to figures released in Austin by Business Week, "Texans' total personal income for the first ten months of 1962 was whopping \$16,854,000,000."

Last year during a similar period it totaled \$16,105,700,000.

**PRISON PRODUCE.**—Texas Department of Corrections did a whopping big job of arming in 1962.

Asst. Director Byron W. Frierson, who is in charge of the vast farming operation, reports that the Department either "sold for cash or consumed, utilized or stored for use, in lieu of purchased items," \$4,583,690 in farm products.

Cotton is the big cash crop on the prison system farms.

"Our 10,000 acres of cotton this year averaged better than a bale per acre for a total value of \$2,100,000," says Frierson. "And our rice crops put \$35,000 into the state treasury with \$13,650 worth held for consumption."

Edible crops had a total value of \$707,287. Total value of cattle slaughtered was \$284,660.

More than 11,000 hogs were raised for pork.

Other farm products included eggs, milk, turkeys and chickens.

**\$1,000,000 SLANT.**—The Attorney General's office reports that over \$1,000,000 monthly oil allowable was cut off in the East Texas and Hawkins fields because of deviated well discoveries.

It Takes a Lot to Satisfy

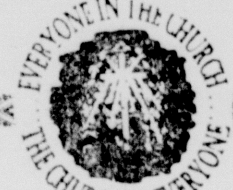

## A HEALTHY APPETITE

Anyone that has ever tried to fill the bottomless pits of growing boys will tell you that it is practically an impossibility. Yet we must continue to feed them so that they will continue to grow.

With the right kind of encouragement from parents, these boys will develop a hunger for God's word. Take them to church Sunday where they may study and learn more of God's word.

*"Blessed are they which do hunger and thirst after righteousness: for they shall be filled."*

© Coleman Adv. Serv., P. O. Box 4887, Dallas, Texas

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

THE HAMLIN HERALD

NEINDA PHILOSOPHER SAYS  
1963 IS FRAUGHT WITH DANGERS  
BUT SO WAS 1962, 1961, or 1800

Editor's note: The Neinda Philosopher on his Johnson grass farm on route one maps his plans for 1963, his letter this week indicates.

Dear editor:

According to an article by an expert on world affairs which I read last night to rest my mind after mapping my plans for 1963, you can spin a globe of the earth and point your finger at it and regardless of where it comes to a stop, there'll be a crisis there.

This was supposed to convince you that times are serious, the world's in a ferment, and the days ahead are uncertain.

**Fat Stock Show To Feature Minnie Pearl**

Mrs. Henry R. Cannon of Nashville, Tennessee, will star in the 1963 Fort Worth Stock Show Rodeo, January 25 through February 3.

Who?

Minnie Pearl, that's who—the livable comedienne of the "Grand Ole Opry" fame, better known to Henry R. Cannon as Mrs. Cannon.

Born Sara Ophelia Colley, the daughter of a successful lumberman, Minnie Pearl actually is a graduate of fashionable Ward-Belmont College in Nashville and can more than hold her own with society folks.

To millions, though, she'll always be the warm-hearted country gal from Grinders Switch who never gives up trying to land a feller. Her humorous pose has been a rousing hit on radio, TV and the stage, but Minnie Pearl will make her first major Rodeo appearance at the 1963 Fort Worth Rodeo.

Joining her at all 20 performances will be the precision-riding Side-Saddle Susans, sensational trick riders The Flying Cimarrons and the leading rodeo comedy act of Ken Boen and the New Gray Mare.

The roughest-bucking broncs and bulls from the strings of three major producers, challenged by approximately 400 cowboys, will supply action in the "rodeo spectacular."

The 1963 Fort Worth Rodeo will get under way with an 8 p.m. show Friday, January 25. There will be a 10 a.m. performance Saturday, then performances at 2 and 8 p.m. that day and every day through Sunday, February 3. Tickets may be ordered from the Fort Worth Stock Show, P. O. Box 150, Fort Worth.

**Handy Water Carrier For Dog**

Waterholes are scarce in Texas during bird hunting season. This makes finding water a problem when hunting.

Avoid this dilemma by carrying under your car a well filled hot water bottle. Cold water, however!

When your dog needs a drink, line a shallow hole in the ground with aluminum foil to form a drinking dish for the dog. Then fill the "dish" from the water bag and let him drink.

**Hub Cap For Water**

Your dog needs water often, when running in the field, and he cannot always find it. So carry a special container for him.

If no container is handy when he gets thirsty, pry a hub cap from your car wheel and use it as a drinking dish for the pooch.

Mrs. L. B. Petty and L. B. Petty Jr. spent the Christmas holidays in Oklahoma City, Okla., with their son and brother, Don Petty, Mrs. Petty and children.

# FAIRVIEW NEWS

By MRS. ELMER JOINER

Since the paper was published early last week this news failed to make it, so will divide it and put in both weeks.

**Last Week—**  
Mr. and Mrs. R. J. Waddle finally moved into their home in South Hamlin on Wednesday of this week. This leaves another vacant house on our road, but we wish for them much contentment in their new location.

Mr. and Mrs. T. E. Dixon and little grandson, Owen Morgan stopped for a short visit with Mr. and Mrs. Elmer Joiner Monday afternoon, enroute to Carlsbad from Dallas, where they had spent the last four weeks with the little sick granddaughter, Norma Jean Morgan. At this time she was improved some, but still on the critical list.

Sunday, Mr. and Mrs. Fred Rosenbaum went to Snyder where they spent the day with his niece, Mr. and Mrs. Paul Foster. Her parents and Fred's brother, Mr. and Mrs. Ambrose Rosenbaum, Post, were also present.

The Christmas tree and the Christmas program was held Sunday night at the church. The pastor told the Christmas story followed by a gift exchange and bags of goodies were passed out to all. The Little Moon offering was also put on the tree and a nice offering for such a few present.

On Sunday, being the last Sunday before Christmas, Mr. and Mrs. Elmer Joiner had their dinner and Christmas tree for their family, since plans were made for other things on Christmas day. Those present for the day and taking dinner with them were: Mr. and Mrs. Buck Joiner, Charles, Jerry and Susan, Odessa; Mr. and Mrs. Runt McCoy, Kay and Larry, Hamlin; Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald, Stamford and Suzanne McCoy, Midland. Later visitors were Mr. and Mrs. Woodrow Goodwin and Linda, Mr. and Mrs. D. A. McCoy and Sandy, Midland.

## This Week—

Christmas came on this weeks news and this reporter tried to get most of the news, but failed to contact some of the families to see what they did for Christmas.

Mr. and Mrs. Joe Ford report that they had 21 for dinner on Christmas day. They were: Mr. and Mrs. H. L. Ford and children, Mr. and Mrs. Joe E. Ford and children all of Hamlin; Mr. and Mrs. Willard Herrington and children, Mr. and Mrs. Bill Ford

and daughters and David and Shelly, all of Abilene.

Mr. and Mrs. Fred Rosenbaum went to Fort Worth on Tuesday to eat dinner with her brother, Mr. and Mrs. D. T. Downey. They were joined by their sister, Mr. and Mrs. J. D. King of Midland.

Mr. and Mrs. Flavil Holmes went to Abilene Monday to visit with his sister, Mr. and Mrs. Ray Herrel. Also present was their mother, Mrs. Alma Holmes, from El Paso and another sister, Mr. and Mrs. Danney Cohan, also of El Paso.

Christmas Day the Holmes had their children home for dinner with them. Mr. and Mrs. Jimmy Holmes of Midland and Mr. and Mrs. Jack Wright and two children of Hamlin completed the family circle.

The Drakes report that they spent Christmas Day alone but visitors during the holidays were: Mr. and Mrs. Roy Lawson and Mrs. Anni eHead, Abilene, cousins of theirs; Mr. and Mrs. J. S. Scott, Albany, also visited with them.

The Drakes also report that Mrs. Fack Richie received a very nice present for Christmas. She got her artificial limb to replace the foot she had amputated and thinks she is going to be able to handle it fine as soon as she is given the go ahead sign to use it as much as she likes.

Mr. and Mrs. Raleigh Bond ate Christmas dinner with their friends, Mr. and Mrs. Mark Bonds of Hamlin.

Mr. and Mrs. Elmer Joiner took Christmas dinner with their friends, Mr. and Mrs. Mark Bonds of Hamlin.

Mr. and Mrs. Elmer Joiner took Christmas dinner with her sister, Mr. and Mrs. Woodrow Goodwin and Linda.

The George Wainwrights had a nice Christmas with their children home. Those able to be home were: Mr. and Mrs. Nathan Stephens and children of Odessa; Mr. and Mrs. Wayne Wainwright and children, Haskell; Mr. and Mrs. David Higgins and sons, Abilene; Mr. and Mrs. Jack Peters and children of Stamford.

Saturday and Saturday night, Mr. and Mrs. E. A. Henry had their granddaughter, Mr. and Mrs. Mack Sansing and little daughter, Austin. Then from Tuesday until Thursday, Mr. and Mrs. Jimmy Henry and children, Houston were with them.

The past Saturday another son, Mr. and Mrs. W. C. Henry and Jo, their son, Mr. and

Mrs. Bill Henry, all from Austin and vicinity, came to spend till Monday with them and to take part in the Golden Wedding Anniversary Celebration.

Spending the day Tuesday with Mr. and Mrs. Mel Jones were Mr. and Mrs. Rex Jones and children of Abilene, her parents, Mr. and Mrs. John O'Neal of Hamlin.

Sunday before Christmas, Mr. and Mrs. Mel Jones went to his brother, Newman Jones, to spend the day. They had all of the children and grandchildren, also a sister of the Jones—Mr. and Mrs. Lee Dillard, Abilene.

Rev. and Mrs. Derrell Lewis spent the holidays in Lubbock with her family, the Rays.

Mr. and Mrs. Ralph Riddle had their children and grandchildren home for Christmas. No details were obtained but they always have a big time and a good time when they all get together, so we know they had a very enjoyable day.

Mr. and Mrs. Fred Rosenbaum attended the funeral at Hodges, Friday afternoon for Mrs. Molly Shelton, pioneer resident of the Jones county area.

Rev. and Mrs. Doyle Combs visited briefly with the E. A. Henry's Wednesday afternoon after presenting them with a gift for their Wedding Anniversary.

Mr. and Mrs. John Beauchamp and Debra, were visitors of the Winson Gray's Wednesday night.

Mr. and Mrs. Joe Ford went to visit and take a gift to Mr. and Mrs. E. A. Henry, from Mrs. Henry's Sunday School Class Thursday afternoon.

George Wainwright has been on the sick list recently with one of the most painful ailments known to man or woman—down in his back.

Mr. G. W. Wainwright is still in the Stamford Hospital. Latest report was that he was not feeling as well as he had been.

Mr. and Mrs. Robert Rhoton moved last Thursday to the house on the land owned by the Adams children, which is being worked by Raleigh Bond. Mr. and Mrs. Rhoton had been residing on the Herbst home place, owned in recent years by Lewis Herbst, until his death, after which it sold.

Brenda Combs is spending several days with the Woodrow Goodwins, while she on vacation from school, during the holidays.

Mrs. George Wainwright worked her last day at the Hospital in Hamlin, where she had been employed for the last year, on Christmas Day.

Mr. and Mrs. Winson Gray and Dorothy spent Christmas at home, but their daughter, Mr. and Mrs. Marvin Johnson, and sons, Amarillo, spent the holidays with them and his parents, Mr. and Mrs. M. S. Johnson.

Mrs. M. S. Johnson is in the hospital recuperating from the bruises she received when she fell down the stairs at her home. It seems she was carrying a load and missed her step, falling several steps to the bottom.

Word has been received that Mrs. Will Fomby has been moved from the Anson hospital to the rest home in R. B. Mrs. Fomby broke her hip some weeks ago and has to have constant care which she will receive in the home by trained nurses.

Rev. and Mrs. Derrell Lewis and children ate lunch Sunday with Mr. and Mrs. Flavil Holmes.

Mrs. Jack Wright and both children have been on the sick list with bad colds.

Mr. and Mrs. E. A. Henry celebrated their Golden Wedding Anniversary Sunday afternoon in Snyder, at the home of one of their sons. The lively affair was hosted by the three sons and their wives, who are: Mr. and Mrs. W. C. Henry of Elgin; Mr. and Mrs. Jimmy Henry of Houston, and Mr. and Mrs. Clois Henry, in whose home the celebration was held. Those attending from our community were: Mr. and Mrs. Harold Valliant and Sammy J. Jr. Mr. and Mrs. John Beauchamp and Debra, Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. Elmer Joiner, Mr. and Mrs. Woodrow Goodwin, Linda and Brenda Combs, Mr. and Mrs. Winson Gray, Mr. and Mrs. Flavil Holmes and Rev. Derrell Lewis and family.

All of their children and grandchildren were present, including the little great-granddaughter. The Henry's have a lovely family and are lovely people themselves. As Mr. Henry expressed it to his bride of half a century Sunday: after looking them all over and we are sure secretly admiring them said: "Look what we have done."

# DESPITE VACCINE-DIPHTHERIA STILL MAJOR HEALTH PROBLEM

Despite the fact that an effective diphtheria toxoid has been available to everyone for many years, there is still an undercurrent of diphtheria cases occurring in Texas.

At the end of September of 1962, there had been seven deaths in Texas attributed to diphtheria. In 1961, because of a series of isolated outbreaks, the death toll from this disease reached 23.

By the end of the first week in December, 1962, 80 cases had been reported to the State Health Department's Communicable Diseases Division.

For the same period in 1961, the total was more than dou-

bled—201 cases.

State Health Department authorities speculate that the reason for this undercurrent of diphtheria cases is the fact that victims had not been immunized.

Most pediatricians suggest as a matter of course that the very young patients receive the diphtheria toxoid in com-

bination with other vaccines and that periodic boosters be administered according to a schedule prescribed by your family doctor.

Immunity against the disease can be determined with the Schick test—developed by Dr. Bela Schick, but scheduled boosters are often used in place of Schick testing.

The disease occurs most frequently among children between the ages of one and 10, but can strike an entire family unprotected with diphtheria toxoid.

It is spread from sneezing and coughing of a convalescent or other carrier, or less frequently, from contaminated articles. Diphtheria may de-

**Picking Best Pup in Litter**  
Often the best looking pup in a litter won't necessarily make the best hunting dog. It's the nose that counts, not the looks.

To find the sharpest nose among the pups, turn them out in the yard and scatter a fistful of meat chunks around. The pup that noses out the most meat has the sharpest hunting nose.

Keep him!

**Finding Camp in Dark**

Your flashlight then will guide you in.

## Safety Booklet For Teen Drivers Now Available

An automotive Division has come to the aid of teen-agers in their efforts to borrow the family car.

A safety booklet, "How to Earn the Key to Dad's Car," has just been released by Lincoln-Mercury Division of Ford Motor Company to all high schools in the country. The unique booklet offers youthful drivers a series of safety tips, driving hints and pointers on driving attitude which will assist all new drivers.

A highlight of the booklet is a "Teenage Driver's Pledge," which represents a series of promises that a new driver can make to his parents in requesting use of the family car.

The booklet is part of an over-all youth safety program conducted by Lincoln-Mercury Division. The program features Miss Teenage America, Darla Banks of Fresno, Calif., as the Division's youth safety spokesman. During her reign this year she will discuss traffic safety before teenage groups throughout the United States.

The booklet may be obtained without cost, by writing Teen Driving, 3000 Schaefer Road, Dearborn, Michigan.

**Teaching The Retriever**  
Now and then a retriever will acquire the bad habit of chewing the ducks he retrieves. This can ruin a lot of good

meat if carried to excess. Habit is hard to break, but it can be done.

Train him with a "duck" made of a tin can, weighted, and with duck wings and tail attached to it realistically.

**Dusk Shooting Made Easier**  
A lot of good shooting is passed up because darkness blots out good sunlight focus.

You can get in quite a few accurate shots even after the light gets dim by touching up the bead of your front sight with white enamel. It will show up clear and bright against the indistinct form of your target.

**Don't Stall Car In Midstream**  
There are few situations more annoying than having your car stall in midstream on a cold wintry day. Not only do you get thoroughly soaked trying to get the car out, but it sometimes takes hours to get the engine started again.

You can lessen the danger of having this tragedy happen to you if you will, before entering the stream, loosen the fan belt so it won't splash water on the spark plugs and the ignition system, or ruin the fan blades by rotating too fast.

Also, as you enter the

## Fumes From Camp Stove

Oil heating stoves sure can raise a stink in close quarters such as a small tent or cabin. Eliminate these noxious fumes by putting two or three oranges on top of the heater. If the stove is of the round type, tie oranges to its sides with wire.

## Keeping Bread Fresh

Bread is a hard commodity to keep fresh on a camping trip. You can do so, however, if you will buy bread that is packaged in a plastic bag. Or use your wife's plastic clothes dampening bag.

Place the bread inside the bag, squeeze out the air, then zipper up the fastener.

This will keep the bread in good condition.

now offers the most complete line of office machines ever available from a single source

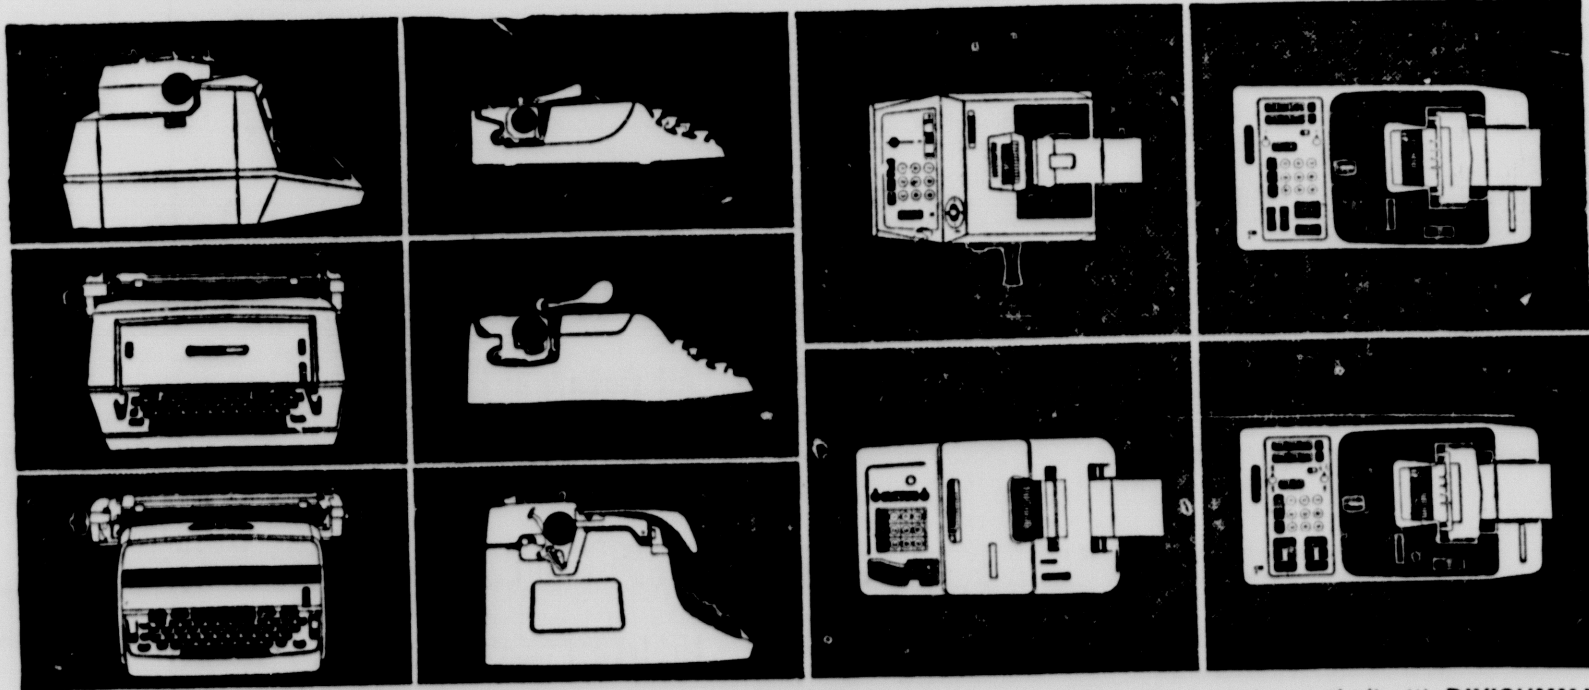

Underwood's wide range of portable, standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that the Underwood Representative is uniquely able to match the machine to the job, free from pressure to sell a machine that's too much for the job or too little.

For example, he has three dramatically new Underwood electric typewriters — to cover every typing requirement from the board chairman's most important correspondence to the shipping department's labels. But when typing demands don't justify an electric machine, he is able to provide a new Underwood standard typewriter that produces high-quality typing at exceptionally low cost.

So varied and versatile is the new Underwood line that no matter what your business or your office requirements, it's almost certain that one of Underwood's office machines shown below can save substantial sums of time and money for you.

Soon your Underwood Representative will call on your company. If office costs are your concern—he's your man.

If you'd like to see him immediately, telephone—or write to Underwood Corporation, One Park Avenue, New York 16, New York.

**underwood RAPHAEL:** An electric typewriter with automatic variable spacing, polyethylene carbon ribbon and many advanced features.

**underwood FORUM:** An electric typewriter with standard letter-spacing and both polyethylene carbon and fabric ribbons.

**underwood SCRIPTOR:** A fully-electric typewriter with fabric ribbon for general-purpose typing.

**underwood-olivetti LETTERA 22:** A super-lightweight portable with important big-typewriter features.

**underwood-olivetti STUDIO 44:** A compact standard with all important office-typewriter features, yet easily portable. Full-size keyboard.

**underwood TOUCH-MASTER FIVE:** A standard typewriter of exceptional lightness of touch and unusual operating ease.

**underwood-olivetti PRIMA 20:** A high capacity 10-key hand adding machine with direct subtraction, credit balance, printed tape and other features not usually found in low-priced machines.

**underwood-olivetti ELECTRO-SUMMA 22:** A high-speed, high-capacity 10-key adding machine with automatic credit balance, direct subtraction and automatic dater. Also does multiplication.

**underwood-olivetti DIVISUMMA 24:** A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual re-entry of intermediate results in combined operations.

**underwood-olivetti TETRACYCLE:** A dual-register version of the Divisumma 24 with a "memory," it performs all the operations of the Divisumma 24 and handles complex combined operations.

## FACTS ABOUT PLYMOUTH'S NEW WARRANTY\*

**DOES IT INCLUDE THE COST OF LABOR?**

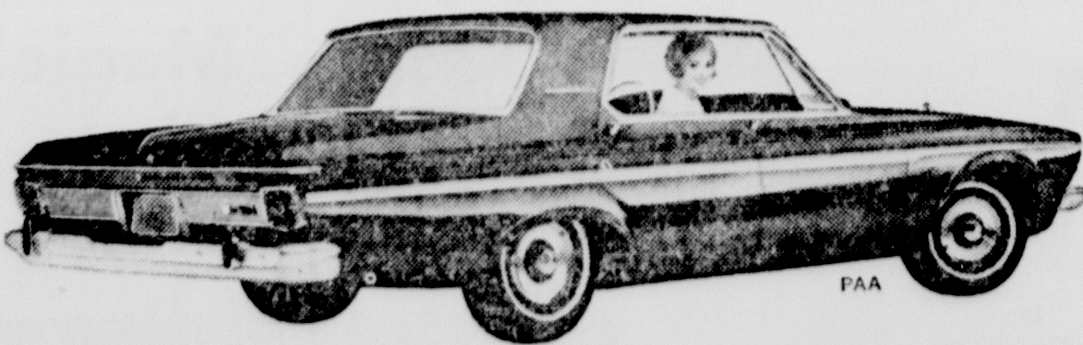

Yes. There is absolutely no charge for labor and parts. For the entire life of the warranty, should any defect in material or workmanship occur on the parts covered by the warranty, it will not cost you one single cent to have this defect corrected.

**DOES IT COVER EXPENSIVE PARTS?**

Absolutely! It covers the major power train components—the engine block and its internal parts, the automatic transmission and its internal parts, the rear axle. These are parts that would normally cost plenty to replace or repair.

**IS IT TRANSFERABLE WHEN YOU SELL THE CAR?**

Yes. As long as the car has been serviced at reasonable intervals according to the Plymouth-Valiant Certified Car Care schedules, the warranty can be passed on to the new owner. Think what that will do to the resale value of your Plymouth!

\*Your Authorized Plymouth-Valiant Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair, without charge for required parts or labor, for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (excluding manual clutch); torque converter, drive shaft, universal joints (excluding dust covers); rear axle and differential; and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Plymouth-Valiant Certified Car Care schedules.

Mr. and Mrs. Guy Arnett of Anaheim, California visited one night last week with Mr. and Mrs. Lynn Flowers. The Arnetts are former residents of Sagerton. They were enroute to Fayetteville, Arkansas to visit their daughter and family, the Cliff Duttons.

Mr. and Mrs. Bunyon Johnson journeyed to Wichita Falls Saturday for a Christmas visit with their son and family, Captain and Mrs. Glenn T. Johnson.

Mr. and Mrs. Walter Johnson and children visited Sunday with Mr. and Mrs. Beno Hertenberger. They are from Fort Worth.

Mr. and Mrs. Arlie Hoover of Austin visited Sunday and Monday with Mr. and Mrs. Edward Mathews. Mr. Hoover is a student at the University of Texas where he is working on his Doctor's degree. Mrs. Hoover is a teacher in the Austin Public School System. They were visitors at the local Church of Christ and Mr. Hoover filled the pulpit Sunday night and delivered an inspiring lesson on "Faith."

Sgt. Gordon Robinson of Ft. Hood visited over the weekend with his parents, Mr. and Mrs.

Dobe Robinson.

Mr. and Mrs. Jimmy Newman and Mrs. H. E. Carr took dinner Saturday with Mr. and Mrs. Mack Newman in Abilene. They are parents and grandmother of Mack.

While in Stamford last week Mrs. H. E. Carr visited the Stamford American and looked over the printing equipment.

Mrs. H. E. Carr last week visited with her niece and husband, Mr. and Mrs. J. R. Weatherall of Hamlin.

College students home for the holidays include the following:

Clarice Leverett from Abilene Christian College, Sandy Leverett from John Tarleton College at Stephenville, Bobby Hunt from Sul Ross at Alpine, Tommy Letz from Tech at Lubbock, Judy Garner and Donnice Sawyers from Lubbock Christian College, Kathy Erdman from Draughton's in Abilene, Florence Erdman, Concordia College in Seward, Nebraska, Helen Diers from Southwest Texas Teachers College in San Marcos, Martha Neumann from Texas Lutheran College in Seguin, Irene Vargas from Draughton's in South Texas.

Mr. and Mrs. J. C. Gholson observed their fifteenth wedding anniversary Sunday. Guests during the day included Mrs. Flora Gardner of Wichita Falls, Mr. and Mrs. Bill Elliott and children of Wichita Falls, Mr. and Mrs. Ray Gholson and children of Kanny and Mr. and Mrs. B. O. Hawkins of Aspermont.

## COMMUNITY

The Christmas party of the Old Glory Variety club was held Tuesday, December 18 in the home of Mrs. Charlie Letz. Assisting the hostess with the preparation and serving of a delicious refreshment plate were Mrs. Beno Hertenberger, Mrs. Garrett Spitzer, Mrs. John Dunkin and Mrs. Herman Dugan. Mrs. Dugan was in charge of the program. Christmas gifts were exchanged and "Pal" names revealed. New "Pal" names were drawn for next year. Mrs. Ray Bridges was appointed Recreation chairman. New members for 1963 are Mrs. Jerry Johnston and Mrs. Edward Mathews.

## SCHOOL

Christmas parties were held throughout the school last Thursday afternoon with refreshments and gift exchanges. Mrs. Ray Bridges and Mrs. T. E. Bell were hostesses for the first and second, third and fourth grade students were en-

tertained by Mrs. C. T. Pierce, Mrs. Herbert Teichelman and Mrs. H. L. Boles. They served frosted cakes and Christmas candies. Mrs. Edward Letz, Mrs. Paul Sanders and Mrs. Tom Pritchard treated the fifth and sixth grades. Seventh and eighth grade students each brought sandwiches, cookies, candy or apples and a dime for their drinks. The refreshments were served buffet style with a refreshment committee in charge. The program committee distributed the gifts and directed games. The sponsor of the class is Mrs. V. R. Leverett. High School classes joined for their party in the study hall. Candy or cookies were brought by the students so food was abundant. The group sang Christmas carols following the gift exchange. The decorated doors added greatly to the festive spirit of the school.

The Sophomore class members with their sponsor, Dalton Gill, and his wife, had a class party Friday night. The group enjoyed a delicious supper at the J. E. Flow's. Later in the evening they went to Stamford for bowling.

## FEATURE

Mr. and Mrs. Beno Erdman of Old Glory observed their 25th wedding anniversary on Sunday, December 30 at Sagerton. The special 25th wedding service was held at 2:30 in the Zion Lutheran Church with Pastor Ernest Phleg in charge.

He read Gen. 29:19, John 2:11f, and Proverbs 25:11 on which he based his wedding address. Congregational hymns included "Oh, Bless the House, Whatever Befall," and "Abide, O Dearest Jesus." Organ music was furnished by Lillian Neinst. Usher was Erwin Diers.

The Erdmans hosted a reception immediately following the service in the Fellowship Hall where about seventy guests called. Daughters Florence and Katherine assisted with the registration of guests and serving of cake. Miss Martha Neumann poured punch. Others assisting with the serving were Mrs. Alfred Hertel, Mrs. Martin Wende, Mrs. Erwin Diers, Mrs. Buster Trede-meyer and Mrs. Dean Leham. Mrs. Harvey Hahn displayed the gifts.

Mr. Erdman's mother, Mrs. C. F. Erdman of Cisco, was present. Also his sister, Mrs. Martin Wende of Cisco. Mrs. Erdman's mother, Mrs. Hilda Barber of San Antonio, was unable to attend. Her brothers and sisters present were Lester Lehman of Winfield, Kansas; Arthur Lehman of Roscoe; Walter Lehman of Abilene; Mrs. Milton Schmidt of

Austin; and Mrs. W. F. Trede-meyer of Old Glory.

The Erdmans were married in a home ceremony at Roscoe on January 12, 1938 with Pastor T. H. Graulman performing the ceremony. They have resided the twenty-five years of their married life on a farm east of Old Glory in St. newall county. Mr. Erdman served on the Old Glory School Board for about fourteen years. He was President of the Stonewall County Farm Bureau for six years. Their daughters, Florence and Katherine, both graduated from Old Glory High School. Florence finished in 1959 and she is a senior student at Concordia College in Seward, Nebraska. Katherine graduated in 1958 and is currently attending Draughton's Business College in Abilene.

Word has been received by friends at Old Glory and Sagerton that Mr. and Mrs. Man-no Shatto are now residing at Chesley, Ontario, Canada. During the years 1957 to 1959 the family resided at Sagerton where he was pastor of the St. Paul's Lutheran Church. Mrs. Shatto taught Mathematics in the Old Glory High School for two years. They moved from the West Texas area to Alta Loma, near Houston, Texas.

A son, John, served with the military several years, but is presently employed with the Hallman Organ Company at Waterloo, just eighty miles south of Chesley. A daughter, Sarah, graduated from Old Glory High School in 1959 and

## Ask Amy

BY AMY ADAMS

## TIPS ON STICKING SKILLET

Dear Amy:

This is regarding frying pans. You suggested replacing sticking pans with the new non-stick kind.

I think this is rather wasteful. Some months ago Marlene Dietrich had an article in Look Magazine. I was amused that this "Glamour Girl" would write quite a dissertation about frying pans. She said that frying pans require treatment quite different from just any old pots and pans. One must give them (heh-heh) tender, loving care.

After use, never let them soak, wash them as quickly as possible. Never use abrasives or harsh pot-cleaners. Use only mild soaps or detergents, never the strong laundry type.

A skillet which has been too abused and makes food stick can be helped by putting in some grease or oil, put on the smallest possible flame and let heat through. This may be repeated several times. Then rinse with warm water and dry well. One lady wrote to Heloise (household hints) that she always wipes her fry pan with wax paper after it has been washed and dried, which sounds sensible to me. Best regards.

Ida Donahue

Dear Amy:

You advised "Mrs. W. K." to buy new pans, or rather skillets. This is fine, but there is nothing wrong with her present skillets except the way she washes them. I, too, had the problem of sticking skillets until I quit using detergents. Do not, I repeat, do not wash your pans in detergents. Use just plain soap. Detergents take out all the fats, or oils and there is no "seasoning" left for the pans. Iron skillets especially will stick, if not "seasoned" properly.

Mrs. W. C.

Dear Amy:

In regard to "Mrs. W. K.'s" plea about sticking skillets, if she would take her skillets before and after using, wash, wipe dry, put on a low fire till quite warm, turn fire out, take a large piece of wax paper and wipe inside real good, she will find this will help. It may take to be done a few times. If

before frying meat, she does the same, her food will not stick.

Mrs. Grace Kelly

Dear Amy:

What do you say to somebody when they call you up to babysit for nothing? This lady whom I used to babysit for hardly ever paid me. I would sometimes keep her kids all day while she ran back and forth. Oft times, she would call me and tell me to clean her house up because she was bringing someone home with her and she didn't want them to see her house dirty. I've cleaned her house spic and span several times. I've washed and ironed her clothes and kept her kids practically for nothing. When I babysit for her, she says she will be over in the morning to pay but she never shows up.

Lately when she calls me to babysit, I make some excuse for not going over there. What should I do with someone like this?

Wanting to Know

Stop making excuses and tell her the truth. In the future, should she ask you to "sit", do so only if you want to . . . and be sure you get paid in ADVANCE!

Dear Amy:

I love candy but my mother and father tell me not to eat candy between meals. So when am I supposed to eat candy?

Candy Lover

Dear Candy:

After meals!

Dear Amy:

I am the sister of the "Candy Lover" and I also have a question to ask you. I am in second year high school and I'll be 17 years old. I want to know how to get a boy to ask me for a date to go to school dances and also other places.

How to Get a Date

If you don't have the "know-how", send me your name and address and I'll fill you in.

### and what have you

by BOB CRAIG

It seems to be the responsibility of the newspapers to take their readers on a tour of the past year as if most of the people were not glad to have the year behind them and just thankful that they survived it.

But since this is the accepted thing for a paper to do, we will devote some of this space this week to looking over some of the accomplishments of this past year in Hamlin.

The new church plants of the First Methodist Church and the First Baptist Church were not only of great benefit to the two congregations but also fine contributions to the city of Hamlin.

There has been an unusual amount of remodeling and building in the downtown area which will add to the city's future for a long time to come.

Also on the building line, there has been a large amount of residential building of the type that will benefit any city.

During this past year, the city has received its "Master Plan" from the engineers and, if used properly, could be the biggest event of the year for the City of Hamlin.

The BCD is winding up a good year under the direction of Robert Fowler. The organization has spent a great deal of effort during the year on trying to secure a Rest Home and a Motel for Hamlin. Both of these goals seem to be nearer a reality as the new year rolls around. The organization is financially sound again and is in a position of being able to accomplish more and more with each coming year.

The top projects of the year for the Jaycees this past year would be the downtown sign board which is being operated by the BCD and the miniature golf course in the City Park.

The Riding Club held another successful rodeo this past summer and completed the construction of a large grandstand, making their arena an even more valuable asset to the town.

In the same area, the FFA boys, along with the help of interested citizens, completed work on their project barn and for the first time they will have adequate facilities for handling the Jones County Livestock Show to be held here this year.

Work has been done at both the Little League and the high school baseball fields during the past year to make them better serve the public.

Quite likely, I have overlooked many other accomplishments of the citizens of this town during this past year. But enough progress was made in 1962 to present a strong challenge to 1963.

The fight for the future of the smaller cities is a demanding one but with the proper leadership and the determination of the public there is a great future ahead for the smaller cities that are making an effort to improve each year.

With the new postage rates going into effect next Monday it seems to be a good time to run the following written by Don Robinson in "The American Press."

"There was a time when I had the naive notion that postage rates should be increased by enough to put the Post Office on a pay-as-you-go basis.

"But after having watched two increases go through with each one immediately followed by a raise in pay for all postal workers, it is more and more apparent that Congress never did have any intention of putting the Post Office on a sound fiscal basis.

"I have no personal objection to postal workers getting a raise in pay, but I do vehemently object to this repeated, sneaky method of giving about it. I refer to the practice of waiving the Post Office deficit before our eyes, trying to make us think that postage rate increases must be enacted to help reduce the deficit—and then immediately using the anticipated new revenue for an election time pay-off to government workers.

"I have heard no mention of

## TWO NEW FACES ON JONES COUNTY COMMISSIONERS COURT

Leon Thurman, newly elected county judge of Jones County, heads the county and commissioners court which consists of five other county and four precinct officers.

Thurman and Harrell Byrd of Precinct 2 are two new members of the court. Both were elected last year. Boyd defeated the incumbent Hollis Haynes in the run-off primary. Thurman succeeds Pete Andrews of Stamford who did not seek re-election.

Other officers sworn in on Tuesday, who were re-elected without opposition, were J. E. Touchstone, commissioner, Precinct 4; Roy Thorn, county clerk;

### Same Stonewall County Officials Return to Office

Stonewall County officials, who were elected without opposition in Aspermont in 1962, will be returning to the same positions with new terms.

The officers are: County Judge A. B. Barnett, County District Clerk Pat Mitchell Jr., County Supt. Thelma Smith, County Treasurer Sally Wright, Commissioners Ervin Gholston of Precinct 2 and E. D. Ellison of Precinct 4; and Justice of the Peace A. F. Baugh of Precinct 1.

### Jones County TB Seal Sales Hit \$1,678.75 Mark

Returns from the sale of Christmas seals by the Jones County Tuberculosis Association continue to come in as the total reaches \$1,678.75 for the county. Mrs. H. H. Dorley, seal chairman, reports this total as of Jan. 2.

Stamford leads the tally with \$548.00 followed by Hamlin with \$541.20. Other towns have contributed as follows: Anson, \$306.85; Avoca, \$60.50; Hawley, \$45.00 and Lueders, \$92.00. \$65.20 was received from the bangle pen sale held in Stamford.

Mrs. Corley and L. E. Milon Jr., president of the association, urge everyone to make their contribution as soon as possible.

The Jones County TB Association paid for approximately 1800 TB rosette tests that have been given to the Jones County school children.

what the Post Office department intends to do next about the deficit, now that the added revenue has already been channeled to the pockets of the postal workers. But I would assume the Post Office leaders will just have to adopt the spirit of Congress and learn to live with their deficit in the same manner that Congressmen have learned to be completely undisturbed by the rest of the national debt.

"There would seem to be little use in making another stab at postage increases for debt reduction, for a presidential election is just over the horizon, and what Congressmen could resist giving any new increase which might be enacted to those millions of government workers who need to be assured, as they prepare to go to the polls, that father-Congress is looking after them.

"The new slogan seems to be: Billions for voters but not one cent for debt reduction."

It appears to me that most of the Post Offices' problems are not money problems but are political and bookkeeping problems.

All of the mail sent out by our Congressmen and Senators is carried free without any credit given to the Department for this service. It would seem that if Congress is going to worry about the Postal deficit it should give each Congressman a postal allowance, and let him pay the Post Office for his mail. This would not save or create any money but it would at least put the Post Office under a better light.

But then if you got their mess straightened out somehow, they might decide that some of that other mess up there should be straightened out too, and what politician wants that.

W. L. McDonald, county clerk; D. E. White, county treasurer, and Everett Beaver, county superintendent.

Other precinct officers include Justices of the Peace Albert Story, Anson; W. W. Woods, Hawley; Roscoe Hod, Stamford and J. B. Eakin, of Hamlin.

Carryover county officials are Dave Reeves, sheriff; A. J. French, tax assessor-collector and Charlie Brownfield, county attorney.

Roy Arledge of Stamford was sworn-in in November as the new state representative of the district to succeed Leon Thurman of Anson.

### Ed Perkins Takes Over as Fisher County Judge

Ed Perkins of Roby, former Fisher County school superintendent assumed the responsibilities of his new position Tuesday as Fisher county judge.

Perkins succeeds Dave Posey, whom he defeated for the office in the election last November. Posey has recently been named general manager of the City of Rotan.

The county judge will have added duties since voters abolished the office of county superintendent last year; those responsibilities have been added to the duties of the county judge. C. J. Dalton is the retiring school superintendent.

Other action taken by the Fisher County voters included the retaining of the district clerk office. Nealy A. Morton was elected to another term in that position.

County Clerk John Ashley, County Treasurer Ina Goodwin and commissioners Jerry Crowley of McCaulley and Precinct 2, and Thurman Terry of Roby and Precinct 4 were also re-elected in the Nov. election.

## AGENT EXPLAINS HOW NEW TAX LAWS WILL AFFECT FARMERS

During the last session of Congress important legislation relating to income tax payments was passed. Among the changes were depreciation and tax credit on certain types of assets used in farm and ranch operations as well as other businesses, County Agent, Kirby Clayton reports.

The investment credit provision is a tax credit of 7 percent, computed on the purchase or investment in depreciable, personal property during 1962 and thereafter. Livestock, including race horses, are excluded from the list of eligible items, Clayton points out. The credit is given only for the tax-year in which the business asset is acquired and includes such items as tractors, combines, trucks, cotton harvesters and new fences.

Here is an example of how the investment credit provision works. Assume a tractor is purchased in November 1962 for \$5,000 with no trade-in. The useful life of the asset determines the amount of tax credit allowed. If the tractor is set up on a life of 8 years, a full 7 percent of the purchase price or \$350 is credited on the

## SERVICES HELD MONDAY FOR E. A. EATON

Services for Lewis A. Eaton, 79, were held Monday at 2 p.m. in the Calvary Baptist Church with the pastor, Rev. John H. Burleson, pastor, officiating.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN. House Textbook Investigating Committee ended its work on a sour note.

This has been a most disagreeable experience, was the understatement of Committee Chairman Bill Dungan of McKinney as he brought the gavel down on the committee's final session before the Legislature meets in January 8.

The five-man group is split five ways. As a result, they will file individual reports on the results of the committee's several stormy sessions.

In addition to Representative Dungan, the committee is composed of Representatives John Alaniz of San Antonio, Bob Bass of DeKalb, Nelson Cowles of Hillsville and Ronald Roberts of Hillsboro. They took months of testimony concerning the contents of textbooks used in public schools.

As the final session ended, members were accusing each other of attending or not attending the now-famous Dallas hearing—at which Ex-Governor Edwin A. Walker testified—"for political campaign reasons."

They did get harmonious long enough to decide to publish five individual reports, in alphabetical order, in one volume, and not to include two petitions presented at the meeting.

However, these are the only points on which the committee arrived at a meeting of the minds.

Roberts and Alaniz both maintained that the present system of textbook selection in Texas is the best in the nation. Alaniz charged that textbook hearings have been "dominated by the ultra right and the John Birchers."

Chairman Dungan and Cowles have not publicized their views yet.

Paul C. Vogler Jr., of Corpus Christi was one of the petitioners at the meeting. He urged continuation of textbook investigations.

Another petitioner, the Rev. William S. Arms of Austin presented a "redress of grievance." Then he announced his intention to add 20,000 signatures to it at the upcoming Baptist convention in Fort Worth.

**TICKET TAX MAY END.** Texas Commission on State and Local Tax Policy, headed by Sen. George Parkhouse of Dallas, added two more recommendations to the long list of proposals it will submit to the 58th Legislature.

One was to repeal the admissions tax, which brought in an annual \$353,000 from movie showings, operas, plays and other amusements before a recent court decision invalidated part of the proceeds.

Parkhouse said, "It seems obvious that the admission tax as now drafted is a failure."

Also recommended was creation by the Legislature of a permanent tax study commission, to be aided by the Texas Research League, and financed with a maximum annual operation fund of \$5,000. The research league is a non-profit organization.

**FAREWELL BUDGET.** Outgoing Gov. Price Daniel has proposed the largest budget in the state's history, for legislative consideration. He says the budget can be met without new taxes.

Daniel recommends spending \$3,100,000,000. That is \$247,300,000 more than the present appropriation.

His budget incorporates recommendations for salary increases in many state departments. State highway patrolmen would be among those getting raises under Daniel's plan. He suggested a starting salary of \$6,000 a year—\$1,000 more than they get now. He denied the present policy of paying them on the same scale as city lawmen.

Daniel said, "These men frequently work around the clock and you can't expect such devotion from men who are paid on a 40-hour-a-week basis."

He also asked the 58th Legislature to boost salaries of state-employed physicians; juvenile parole officers; employees of the Texas Water Commission and the Railroad Commission; and teachers in all levels of education, among others.

Basically, except for higher education, the Governor's budget proposes continued operation at present levels for all state agencies and services plus necessary funds to meet

additional demands due to population growth.

**COLLEGES UPGRADED.** Daniel also urged upgrading of public junior colleges and state-supported universities, and recommended larger library appropriations and 16 per cent teaching salary increases—two things college administrators have cried for for a long time.

He proposed that the 24 junior colleges be allotted \$16,600,000 for the 1964-65 school year. This is \$3,000,000 less than administrators requested, but \$1,500,000 more than the current appropriation.

Much of this increase would be used to cover \$500 annual pay raises for teachers.

Daniel advocated \$15,200,000 to cover a 16 per cent increase in teacher's salaries; \$2,700,000 additional funds for research in the state's 20 state-supported senior colleges; and \$2,300,000 additional for libraries.

He based his proposals on the recommendation of the Commission on Higher Education that tuition be doubled to \$200 a school year. But he explained that 4,500 scholarships for \$100 a year would be available, "to keep young people in college."

**APPOINTMENTS ANNOUNCED.** Daniel filled several vacancies on state boards and commissions, but said he would leave appointments on the University of Texas and Texas A&M boards to his successor, John Connally. These appointments are due to come up early in January.

He named the following to the board of regents of Lamar State College of Technology: Pat Peyton Jr. and Otto Plummer of Beaumont; J. G. Bertman Jr. of Liberty; and A. H. Fontagne of Orangefield.

He appointed Sam W. Freas of Livingston as criminal district attorney of Pulk County, to fill the vacancy caused by Sidney H. Adams' resignation.

Jake Jacobsen, Austin attorney, who served with Daniel as assistant attorney general and executive assistant in the U. S. Senate and at the governor's office, will succeed Dr. D. D. White of Waco on the Public Safety Commission.

Dr. White and Fred Hartman, editor-publisher of the Raytown Sun, were appointed to the State Library and Historical Commission.

He re-appointed Clifford L. Davis, personnel director for the city of Amarillo, and Dan Nixon, Lampasas' city manager, to the Municipal Retirement Board.

Daniel also named to the over Cancho River Water and Soil Conservation Authority Joe Brosig of Paint Rock; Lambert Abernathy of Millersburg; and W. R. Loveless of Eden.

**PERSONAL INCOME.** LIMBS—Texans entered the final two months of 1962 with their personal income up 4.6 per cent over the first ten months of 1961.

This year, according to figures released in Austin by Business Week, Texans' total personal income for the first ten months of 1962 was whopping \$16,851,000,000.

Last year during a similar period it totaled \$16,105,700,000.

**PRISON PRODUCE.** Texas' Department of Corrections had a whopping big job of arming in 1962.

Asst. Director Byron W. Trierson, who is in charge of the vast farming operation, reports that the Department either "sold for cash or consumed, utilized or stored for use, in lieu of purchased items," \$4,583,000 in farm products.

Cotton is the big cash crop on the prison system farms.

"Our 10,000 acres of cotton this year averaged better than a bale per acre for a total value of \$2,100,000," says Trierson. "And our rice crops put \$5,000 into the state treasury with \$13,650 worth held for consumption."

Edible crops had a total value of \$707,287. Total value of cattle slaughtered was \$384,660.

More than 11,000 hogs were raised for pork.

Other farm products included eggs, milk, turkeys and chickens.

**\$1,000,000 SLANT.** The Attorney General's office reports that over \$1,000,000 monthly oil allowable was cut off in the East Texas and Hawkins fields because of depleted well discoveries.

It Takes a Lot to Satisfy

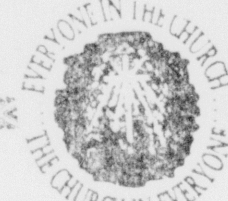

## A HEALTHY APPETITE

Anyone that has ever tried to fill the bottomless pits of growing boys will tell you that it is practically an impossibility. Yet we must continue to feed them so that they will continue to grow.

With the right kind of encouragement from parents, these boys will develop a hunger for God's word. Take them to church Sunday where they may study and learn more of God's word.

*"Blessed are they which do hunger and thirst after righteousness: for they shall be filled."*

© Coleman Adv. Serv., P. O. Box 4887, Dallas, Texas

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NEINDA PHILOSOPHER SAYS  
1963 IS FRAUGHT WITH DANGERS  
BUT SO WAS 1962, 1961, or 1800

Editor's note The Neinda philosopher on his Johnson grass farm on route one maps his plans for 1963, his letter this week indicates.

According to an article by an expert on world affairs which I read last night to rest my mind after mapping my plans for 1963, you can spin a globe of the earth and point your finger at it and regardless of where it comes to a stop, there'll be a crisis there.

This was supposed to convince you that times are serious, the world's in a ferment, and the days ahead are un-

certain. All this proves to me however is that this expert's not very familiar with the world's record.

There never was a time when you couldn't point your finger at any spot on the globe and show up a crisis. Even if you missed a country's capital and got only a farm house or an apartment in a town, there'd still be a crisis there, and nine times out of ten it'd be financial, the same as it is in the major trouble spots around the globe.

What this expert ought to realize is that if most individuals can live with crises all

Fat Stock Show  
To Feature  
Minnie Pearl

Mrs. Henry R. Cannon of Nashville, Tennessee, will star in the 1963 Fort Worth Stock Show Rodeo, January 25 through February 3.

Who? Minnie Pearl, that's who—the lovable comedienne of the "Grand Ole Opry" fame, better known to Henry R. Cannon as Mrs. Cannon.

Born Sara Ophelia Colley, the daughter of a successful lumberman, Minnie Pearl actually is a graduate of fashionable Ward-Belmont College in Nashville and can more than hold her own with society folks.

To millions, though, she'll always be the warm-hearted country gal from Grinders Switch who never gives up trying to land a feller. Her humorous pose has been a rousing hit on radio, TV and the stage, but Minnie Pearl will make her first major Rodeo appearance at the 1963 Fort Worth Rodeo.

Joining her at all 20 performances will be the precision-riding Side-Saddle Susans, sensational trick riders The Flying Cimarrons, and the leading rodeo comedy act of Ken Boen and the New Gray Mare.

The roughest-bucking broncs and bulls from the strings of three major producers, challenged by approximately 400 cowboys, will supply action in the "rodeo spectacular."

The 1963 Fort Worth Rodeo will get under way with an 8 p.m. show Friday, January 25. There will be a 10 a.m. performance Saturday, then performances at 2 and 8 p.m. that day and every day through Sunday, February 3. Tickets may be ordered from the Fort Worth Stock Show, P. O. Box 150, Fort Worth.

Handy Water Carrier Fog Dog

Waterholes are scarce in Texas during bird hunting season. This makes finding water a problem when hunting.

Avoid this dilemma by carrying under your seat a well filled hot water bottle. Cold water, however!

When your dog needs a drink, line a shallow hole in the ground with aluminum foil to form a drinking dish for the dog. Then fill the "dish" from the water bag and let him drink.

Hub Cap For Water

Your dog needs water often, when running in the field, and he cannot always find it. So carry a special container for him.

If no container is handy when he gets thirsty, pry a hub cap from your car wheel and use it as a drinking dish for the p-oach.

## FAIRVIEW NEWS

By MRS. ELMER JOINER

Since the paper was published early last week this news failed to make it, so will divide it and put in both weeks.

**Last Week—**  
Mr. and Mrs. R. J. Waddle finally moved into their home in South Hamlin on Wednesday of this week. This leaves another vacant house on our road, but we wish for them much contentment in their new location.

Mr. and Mrs. T. E. Dixon and little grandson, Owen Morgan, stopped for a short visit with Mr. and Mrs. Elmer Joiner Monday afternoon, enroute to Carlsbad from Dallas, where they had spent the last four weeks with the little sick granddaughter, Norma Jean Morgan. At this time she was improved some, but still on the critical list.

Sunday, Mr. and Mrs. Fred Rosenbaum went to Snyder where they spent the day with his niece, Mr. and Mrs. Paul Foster. Her parents and Fred's brother, Mr. and Mrs. Ambrose Rosenbaum, Post, were also present.

The Christmas tree and the Christmas program was held Sunday night at the church. The pastor told the Christmas story followed by a gift exchange and bags of goodies were passed out to all. The Little Moon offering was also put on the tree and a nice offering for such a few present.

On Sunday, being the last Sunday before Christmas, Mr. and Mrs. Elmer Joiner had their dinner and Christmas tree for their family, since plans were made for other things on Christmas day. Those present for the day and taking dinner with them were: Mr. and Mrs. Buck Joiner, Charles, Jerry and Susan, Odessa; Mr. and Mrs. Runt McCoy, Kay and Larry, Hamlin; Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald, Stamford and Suzanne McCoy, Midland. Later visitors were Mr. and Mrs. Woodrow Goodwin and Linda, Mr. and Mrs. D. A. McCoy and Sandy, Midland.

**This Week—**  
Christmas came on this week's news and this reporter tried to get most of the news, but failed to contact some of the families to see what they did for Christmas.

Mr. and Mrs. Joe Ford report that they had 21 for dinner on Christmas day. They were: Mr. and Mrs. H. L. Ford and children, Mr. and Mrs. Joe E. Ford and children all of Hamlin; Mr. and Mrs. Willard Herrington and children, Mr. and Mrs. Bill Ford

and daughters and David and Shelly, all of Abilene. Mr. and Mrs. Fred Rosenbaum went to Fort Worth on Tuesday to eat dinner with her brother, Mr. and Mrs. D. T. Downey. They were joined by their sister, Mr. and Mrs. J. D. King of Midland.

Mr. and Mrs. Flavil Holmes went to Abilene Monday to visit with his sister, Mr. and Mrs. Ray Herrel. Also present was their mother, Mrs. Alma Holmes, from El Paso and another sister, Mr. and Mrs. Danney Cohan, also of El Paso.

Christmas Day the Holmes had their children home for dinner with them. Mr. and Mrs. Jimmy Holmes of Midland and Mr. and Mrs. Jack Wright and two children of Hamlin completed the family circle.

The Drakes report that they spent Christmas Day alone but visitors during the holidays were: Mr. and Mrs. Roy Lawson and Mrs. Anni eHead, Abilene, cousins of theirs; Mr. and Mrs. J. S. Scott, Albany, also visited with them.

The Drakes also report that Mrs. Fack Richie received a very nice present for Christmas. She got her artificial limb to replace the foot she had amputated and thinks she is going to be able to handle it fine as soon as she is given the go ahead sign to use it as much as she likes.

Mr. and Mrs. Raleigh Bond ate Christmas dinner with their friends, Mr. and Mrs. Mark Bonds of Hamlin.

Mr. and Mrs. Elmer Joiner took Christmas dinner with their friends, Mr. and Mrs. Mark Bonds of Hamlin.

Mr. and Mrs. Elmer Joiner took Christmas dinner with their sister, Mr. and Mrs. Woodrow Goodwin and Linda.

The George Wainwrights had a nice Christmas with their children home. Those able to be home were: Mr. and Mrs. Nathan Stephens and children of Odessa; Mr. and Mrs. Wayne Wainwright and children, Haskell; Mr. and Mrs. David Higgins and sons, Abilene; Mr. and Mrs. Jack Peters and children of Stamford.

Saturday and Sunday night, Mr. and Mrs. E. A. Henry had their granddaughter, Mr. and Mrs. Mack Sansing and little daughter, Austin. Then from Tuesday until Thursday, Mr. and Mrs. Jimmy Henry and children, Houston were with them.

The past Saturday another son, Mr. and Mrs. W. C. Henry and Jo, their son, Mr. and

Mrs. Bill Henry, all from Austin and vicinity, came to spend till Monday with them and to take part in the Golden Wedding Anniversary Celebration. Spending the day Tuesday with Mr. and Mrs. Mel Jones were Mr. and Mrs. Rex Jones and children of Abilene, her parents, Mr. and Mrs. John O'Neal of Hamlin.

Sunday before Christmas, Mr. and Mrs. Mel Jones went to his brother, Newman Jones, to spend the day. They had all of the children and grandchildren, also a sister of the Jones—Mr. and Mrs. Lee Dillard, Abilene.

Rev. and Mrs. Derrell Lewis spent the holidays in Lubbock with her family, the Rays.

Mr. and Mrs. Ralph Riddle had their children and grandchildren home for Christmas. No details were obtained but they always have a big time and a good time when they all get together, so we know they had a very enjoyable day.

Mr. and Mrs. Fred Rosenbaum attended the funeral at Hodges, Friday afternoon for Mrs. Molly Shelton, pioneer resident of the Jones county area.

Rev. and Mrs. Doyle Combs visited briefly with the E. A. Henry's Wednesday afternoon after presenting them with a gift for their Wedding Anniversary.

Mr. and Mrs. John Beauchamp and Debra, were visitors of the Winslow Gray's Wednesday night.

Mr. and Mrs. Joe Ford went to visit and take a gift to Mr. and Mrs. E. A. Henry, from Mrs. Henry's Sunday School Class Thursday afternoon.

George Wainwright has been on the sick list recently with one of the most painful ailments known to man or woman—down in his back.

Mr. G. W. Wainwright is still in the Stamford Hospital. Latest report was that he was not feeling as well as he had been.

Mr. and Mrs. Robert Rhoton moved last Thursday to the house on the land owned by the Adams children, which is being worked by Raleigh Bond. Mr. and Mrs. Rhoton had been residing on the Herbst home place, owned in recent years by Lewis Herbst, until his death, after which it sold.

Brenda Combs is spending several days with the Woodrow Goodwins, while she on vacation from school, during the holidays.

Mrs. George Wainwright worked her last day at the Hospital in Hamlin, where she had been employed for the last year, on Christmas Day.

Mr. and Mrs. Winslow Gray and Dorothy spent Christmas at home, but their daughter, Mr. and Mrs. Marvin Johnson, and sons, Amarillo, spent the holidays with them and his parents, Mr. and Mrs. M. S. Johnson.

Mrs. M. S. Johnson is in the hospital recuperating from the bruises she received when she fell down the stairs at her home. It seems she was carrying a load and missed her step, falling several steps to the bottom.

Word has been received that Mrs. Will Fomby has been moved from the Anson hospital to the rest home in R. B. Fomby broke her hip some weeks ago and has to have constant care which she will receive in the home by trained nurses.

Rev. and Mrs. Derrell Lewis and children ate lunch Sunday with Mr. and Mrs. Flavil Holmes.

Mrs. Jack Wright and both children have been on the sick list with bad colds.

Mr. and Mrs. E. A. Henry celebrated their Golden Wedding Anniversary Sunday afternoon in Snyder, at the home of one of their sons. The lovely affair was hosted by the three sons and their wives, who are: Mr. and Mrs. W. C. Henry of Elgin; Mr. and Mrs. Jimmy Henry of Houston, and Mr. and Mrs. Lois Henry, in whose home the celebration was held. Those attending from our community were: Mr. and Mrs. Harold Valliant and Sammy J. J. Mr. and Mrs. John Beauchamp and Debra, Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. Elmer Joiner, Mr. and Mrs. Woodrow Goodwin, Linda and Brenda Combs, Mr. and Mrs. Winslow Gray, Mr. and Mrs. Flavil Holmes and Rev. Derrell Lewis and family.

All of their children and grandchildren were present, including the little great-granddaughter. The Henry's have a lovely family and are lovely people themselves. As Mr. Henry expressed it to his bride of half a century Sunday: after looking them all over and we are sure secretly admiring them said: "Look what we have done."

# DESPITE VACCINE-DIPHTHERIA STILL MAJOR HEALTH PROBLEM

Despite the fact that an effective diphtheria toxoid has been available to everyone for many years, there is still an undercurrent of diphtheria cases occurring in Texas.

At the end of September of 1962, there had been seven deaths in Texas attributed to diphtheria. In 1961, because of a series of isolated outbreaks, the death toll from this disease reached 23.

By the end of the first week in December, 1962, 80 cases had been reported to the State Health Department's Communicable Diseases Division.

For the same period in 1961, the total was more than doubled—201 cases.

State Health Department authorities speculate that the reason for this undercurrent of diphtheria cases is the fact that victims had not been immunized.

Most pediatricians suggest as a matter of course that their very young patients receive the diphtheria toxoid in combination with other vaccines and that periodic boosters be administered according to a schedule prescribed by your family doctor.

Immunity against the disease can be determined with the Schick test—developed by Dr. Bela Schick, but scheduled boosters are often used in place of Schick testing.

The disease occurs most frequently among children between the ages of one and 10, but can strike an entire family unprotected with diphtheria toxoid.

It is spread from sneezing and coughing of a convalescent or other carrier, or less frequently, from contaminated articles. Diphtheria may develop within two to seven days following exposure.

Common symptoms include a sore throat, fever, drowsiness, headache, and vomiting. If such symptoms occur, and there is a chance that the person has been exposed, a physician should be called immediately.

The disease is not only dangerous and sometimes fatal,

Picking Best Pup in Litter

Often the best looking pup in a litter won't necessarily make the best hunting dog. It's the nose that counts, not the looks.

To find the sharpest nose among the pups, turn them out in the yard and scatter a fistful of meat chunks around. The pup that noses out the most meat has the sharpest hunting nose.

Keep him!

Finding Camp in Dark

Coming in to camp on a dark night takes precision and a certain ability many of us don't have.

the blackest night if you will. You can find the camp on tack up car reflectors on trees in a circle some distance from camp.

Your flashlight then will guide you in.

## Safety Booklet For Teen Drivers Now Available

An automotive Division has come to the aid of teen agers in their efforts to borrow the family car.

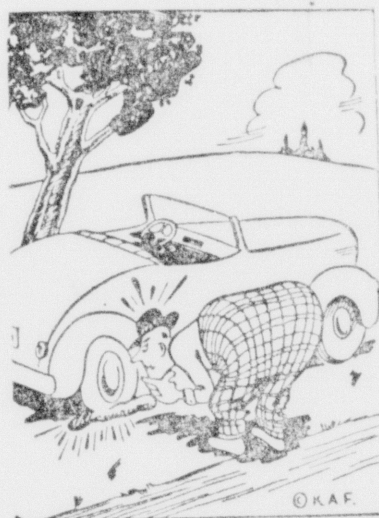

A safety booklet, "How to Earn the Key to Dad's Car," has just been released by Lincoln-Mercury Division of Ford Motor Company to all high schools in the country. The unique booklet offers youthful drivers a series of safety tips, driving hints and pointers on driving attitude which will assist all new drivers.

A highlight of the booklet is a "Teenage Driver's Pledge," which represents a series of promises that a new driver can make to his parents in requesting use of the family car.

The booklet is part of an over-all youth safety program conducted by Lincoln-Mercury Division. The program features Miss Teenage America, Darla Banks of Fresno, Calif., as the Division's youth safety spokesman. During her reign this year she will discuss traffic safety before teenage groups throughout the United States.

The booklet may be obtained without cost, by writing Teen Driving, 3000 Schaefer Road, Dearborn, Michigan.

Teaching The Retriever New and then a retriever will acquire the bad habit of chewing the ducks he retrieves. This can ruin a lot of good meat if carried to excess. Habit is hard to break, but it can be done. Train him with a "duck" made of a tin can, weighted, and with duck wings and tail attached to it realistically. Dusk Shooting Made Easier A lot of good shooting is passed up because darkness blots out good sunlight focus. You can get in quite a few accurate shots even after the light gets dim by touching up the bead of your front sight with white enamel. It will show up clear and bright against the indistinct form of your target. Don't Stall Car In Midstream There are few situations more annoying than having your car stall in midstream on a cold wintry day. Not only do you get thoroughly soaked trying to get the car out, but it sometimes takes hours to get the engine started again. You can lessen the danger of having this tragedy happen to you if you will, before entering the stream, loosen the fan belt so it won't splash water on the spark plugs and the ignition system, or ruin the fan blades by rotating too fast. Also, as you enter the

stream, pull out the choke or throttle and ride the clutch to keep the engine revving high. If yours is a late model passenger car, just don't try to ford the stream!

Fumes From Camp Stove

Oil heating stoves sure can raise a stink in close quarters such as a small tent or cabin. Eliminate these noxious fumes by putting two or three oranges on top of the heater. If the stove is of the round type, tie oranges to its sides with wire.

Keeping Bread Fresh

Bread is a hard commodity to keep fresh on a camping trip.

You can do so, however, if you will buy bread that is packaged in a plastic bag. Or use your wife's plastic clothes dampening bag.

Place the bread inside the bag, squeeze out the air, then zipper up the fastener.

This will keep the bread in good condition.

now offers the most complete line of office machines ever available from a single source

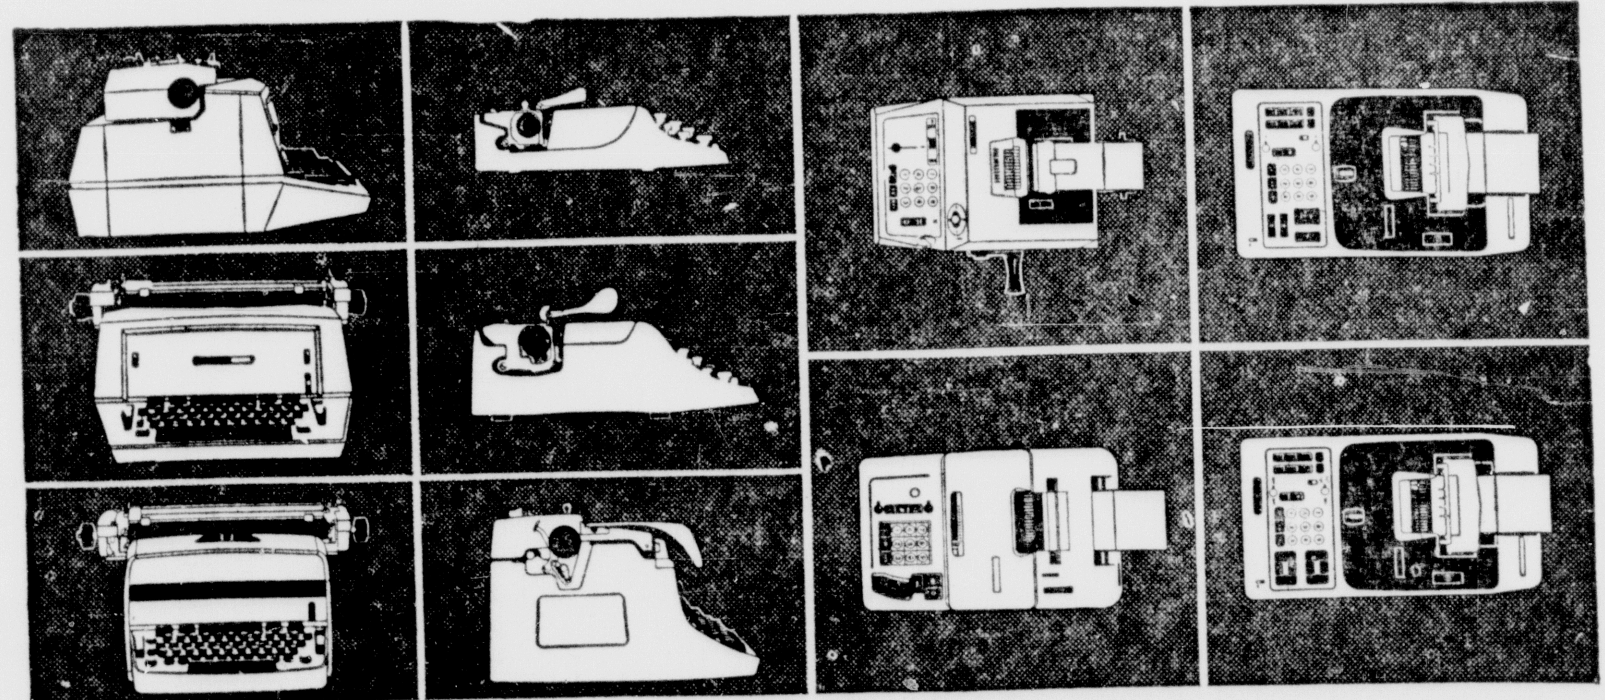

Underwood's wide range of portable, standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that the Underwood Representative is uniquely able to match the machine to the job, free from pressure to sell a machine that's too much for the job or too little.

For example, he has three dramatically new Underwood electric typewriters—to cover every typing requirement from the board chairman's most important correspondence to the shipping department's labels. But when typing demands don't justify an electric machine, he is able to provide a new Underwood standard typewriter that produces high-quality typing at exceptionally low cost.

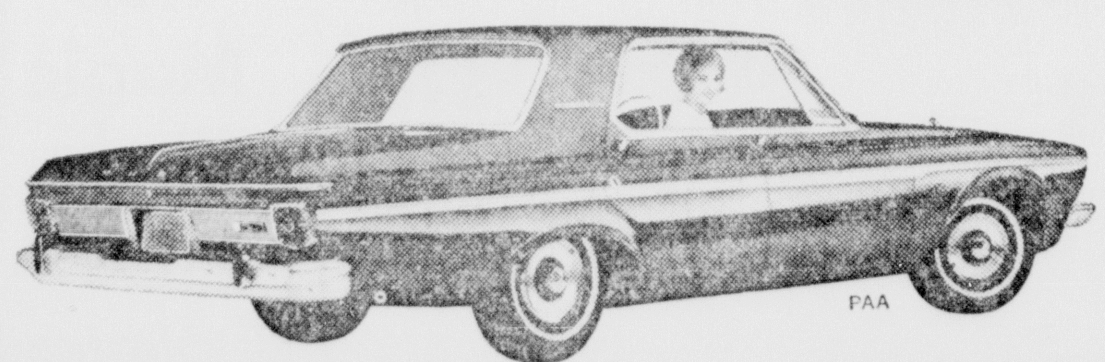

So varied and versatile is the new Underwood line that no matter what your business or your office requirements, it's almost certain that one of Underwood's office machines shown below can save substantial sums of time and money for you.

Soon your Underwood Representative will call on your company. If office costs are your concern—he's your man.

If you'd like to see him immediately, telephone—or write to Underwood Corporation, One Park Avenue, New York 16, New York.

underwood RAPHAEL: An electric typewriter with automatic variable spacing, polyethylene carbon ribbon and many advanced features.  
underwood FORUM: An electric typewriter with standard letter-spacing and both polyethylene carbon and fabric ribbons.  
underwood SCRIPTOR: A fully electric typewriter with fabric ribbon for general-purpose typing.  
underwood-olivetti LETTERA 22: A super-lightweight portable with important big-typewriter features.  
underwood-olivetti STUDIO 44: A compact standard with all important office-typewriter features, yet easily portable. Full-size keyboard.  
underwood TOUCH-MASTER FIVE: A standard typewriter of exceptional lightness of touch and unusual operating ease.  
underwood-olivetti PRIMA 20: A high capacity 10-key hand adding machine with direct subtraction, credit balance, printed tape and other features not usually found in low-priced machines.  
underwood-olivetti ELECTRO-SUMMA 22: A high-speed, high-capacity 10-key adding machine with automatic credit balance, direct subtraction and automatic dater. Also does multiplication.  
underwood-olivetti DIVISUMMA 24: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual re-entry of intermediate results in combined operations.  
underwood-olivetti TETRACTYS: A dual-register version of the Divisumma 24 with a "memory" feature that eliminates manual re-entry of intermediate results in combined operations.

Mr. and Mrs. Guy Arnett of Anaheim, California visited one night last week with Mr. and Mrs. Lynn Flowers. The Arnetts are former residents of Sagerton. They were enroute to Fayetteville, Arkansas to visit their daughter and family, the Cliff Duttons.

Mr. and Mrs. Bunyon Johnson journeyed to Wichita Falls Saturday for a Christmas visit with their son and family, Captain and Mrs. Glenn T. Johnson.

Mr. and Mrs. Walter Johnson and children visited Sunday with Mr. and Mrs. Beno Hertenberger. They are from Fort Worth.

Mr. and Mrs. Arlie Hoover of Austin visited Sunday and Monday with Mr. and Mrs. Edward Mathews. Mr. Hoover is a student at the University of Texas where he is working on his Doctor's degree. Mrs. Hoover is a teacher in the Austin Public School System. They were visitors at the local Church of Christ and Mr. Hoover filled the pulpit Sunday night and delivered an inspiring lesson on "Faith."

Sgt. Gordon Robinson of Ft. Hood visited over the weekend with his parents, Mr. and Mrs.

Dobe Robinson. Mr. and Mrs. Jimmy Newman and Mrs. H. E. Carr took dinner Saturday with Mr. and Mrs. Mack Newman in Abilene. They are parents and grandmother of Mack.

While in Stamford last week Mrs. H. E. Carr visited the Stamford American and looked over the printing equipment.

Mrs. H. E. Carr last week visited with her niece and husband, Mr. and Mrs. J. R. Weatherall of Hamlin.

College students home for the holidays include the following:

Clarice Leverett from Abilene Christian College, Sandy Leverett from John Tarleton College at Stephenville, Bobby Hunt from Sul Ross at Alpine, Tommy Letz from Tech at Lubbock, Judy Garner and Donnie Sawyers from Lubbock Christian College, Kathy Erdman from Draughon's in Abilene, Florence Erdman, Concordia College in Seward, Nebraska, Helen Diers from Southwest Texas Teachers College in San Marcos, Martha Neumann from Texas Lutheran College in Seguin, Irene Vargas from Draughon's in South Texas.

Mr. and Mrs. J. C. Gholson observed their fifteenth wedding anniversary Sunday. Guests during the day included Mrs. Flora Gardner of Wichita Falls, Mr. and Mrs. Bill Elliott and children of Wichita Falls, Mr. and Mrs. Ray Gholson and children of Kama and Mr. and Mrs. B. O. Hawkins of Aspermont.

COMMUNITY

The Christmas party of the Old Glory Variety club was held Tuesday, December 18 in the home of Mrs. Charlie Letz. Assisting the hostess with the preparation and serving of a delicious refreshment plate were Mrs. Beno Hertenberger, Mrs. Garrett Spitzer, Mrs. John Dunkin and Mrs. Herman Dugan. Mrs. Dugan was in charge of the program. Christmas gifts were exchanged and "Pal" names revealed. New "Pal" names were drawn for next year. Mrs. Ray Bridges was appointed Recreation chairman. New members for 1963 are Mrs. Jerry Johnston and Mrs. Edward Mathews.

SCHOOL

Christmas parties were held throughout the school last Thursday afternoon with refreshments and gift exchanges. Mrs. Ray Bridges and Mrs. T. E. Bell were hostesses for the first and second, Third and fourth grade students were en-

tertained by Mrs. C. T. Pierce, Mrs. Herbert Teichelman and Mrs. H. L. Boles. They served frosted cakes and Christmas candies. Mrs. Edward Letz, Mrs. Paul Sanders and Mrs. Tom Pritchard treated the fifth and sixth grades. Seventh and eighth grade students each brought sandwiches, cookies, candy or apples and a dime for their drinks. The refreshments were served buffet style with a refreshment committee in charge. The program committee distributed the gifts and directed games. The sponsor of the class is Mrs. V. R. Leverett. High School classes joined for their party in the study hall. Candy or cookies were brought by the students so food was abundant. The group sang Christmas carols following the gift exchange. The decorated doors added greatly to the festive spirit of the school.

The Sophomore class members with their sponsor, Dalton Gill, and his wife, had a class party Friday night. The group enjoyed a delicious supper at the J. E. Flow's. Later in the evening they went to Stamford for bowling.

FEATURE

Mr. and Mrs. Beno Erdman of Old Glory observed their 25th wedding anniversary on Sunday, December 30 at Sagerton. The special 25th wedding service was held at 2:30 in the Zion Lutheran Church with Pastor Ernest Philig in charge.

He read Gen. 29:19, John 2:11f, and Proverbs 25:11 on which he based his wedding address. Congregational hymns included "Oh, Bless the House, Whate'er Befall," and "Abide, O Dearest Jesus." Organ music was furnished by Lillian Neimast. Usher was Erwin Diers.

The Erdmans hosted a reception immediately following the service in the Fellowship Hall where about seventy guests called. Daughters Florence and Katherine assisted with the registration of guests and serving of cake. Miss Martha Neumann poured punch. Others assisting with the serving were Mrs. Alfred Hertel, Mrs. Martin Wende, Mrs. Erwin Diers, Mrs. Buster Trede-meyer and Mrs. Dean Leham. Mrs. Harvey Hahn displayed the gifts.

Mr. Erdman's mother, Mrs. C. F. Erdman (of Cisco) was present. Also his sister, Mrs. Martin Wende of Cisco. Mrs. Erdman's mother, Mrs. Hilda Barber of San Antonio, was unable to attend. Her brothers and sisters present were Lester Lehman of Winfield, Kansas; Arthur Lehman of Roscoe; Walter Lehman of Abilene; Mrs. Milton Schmidt of

Austin; and Mrs. W. F. Trede-meyer of Old Glory.

The Erdmans were married in a home ceremony at Roscoe on January 12, 1938 with Pastor T. H. Graalman performing the ceremony. They have resided the twenty-five years of their married life on a farm east of Old Glory in St. newall county. Mr. Erdman served on the Old Glory School Board for about fourteen years. He was President of the Stonewall County Farm Bureau for six years. Their daughters, Florence and Katherine, both graduated from Old Glory High School. Florence finished in 1959 and she is a senior student at Concordia College in Seward, Nebraska. Katherine graduated in 1958 and is currently attending Draughon's Business College in Abilene.

Word has been received by friends at Old Glory and Sagerton that Mr. and Mrs. Man-no Shatto are now residing at Chesley, Ontario, Canada. During the years 1957 to 1959 the family resided at Sagerton where he was pastor of the St. Paul's Lutheran Church. Mrs. Shatto taught Mathematics in the Old Glory High School for two years. They moved from the West Texas area to Alta Loma, near Houston, Texas.

A son, John, served with the military several years, but is presently employed with the Hallman Organ Company at Waterloo, just eighty miles south of Chesley. A daughter, Sarah, graduated from Old Glory High School in 1959 and

is presently a senior student at Texas Lutheran College at Seguin.

BY AMY ADAMS

## TIPS ON STICKING SKILLET

Dear Amy:

This is regarding frying pans. You suggested replacing sticking pans with the new non-stick kind.

I think this is rather wasteful. Some months ago Marlene Dietrich had an article in Look Magazine. I was amused that this "Glamour Girl" would write quite a dissertation about frying pans. She said that frying pans require treatment quite different from just any old pots and pans. One must give them (heh-heh) tender, loving care.

After use, never let them soak, wash them as quickly as possible. Never use abrasives or harsh pot-cleaners. Use only mild soaps or detergents, never the strong laundry type.

A skillet which has been too abused and makes food stick can be helped by putting in some grease or oil, put on the smallest possible flame and let heat through. This may be repeated several times. Then rinse with warm water and dry well. One lady wrote to Hicoinse (household hints) that she always wipes her fry pan with wax paper after it has been washed and dried, which sounds sensible to me. Best regards.

Ida Donahue

Dear Amy:

You advised "Mrs. W. K." to buy new pans, or rather skillets. This is fine, but there is nothing wrong with her present skillets except the way she washes them. I, too, had the problem of sticking skillets until I quit using detergents. Do not, I repeat, do not wash your pans in detergents. Use just plain soap. Detergents take out all the fats, or oils and there is no "seasoning" left for the pans. Iron skillets especially will stick, if not "seasoned" properly.

Mrs. W. C.

Dear Amy:

In regard to "Mrs. W. K.'s" plea about sticking skillets, if she would take her skillets before and after using, wash, wipe dry, put on a low fire till quite warm, turn fire out, take a large piece of wax paper and wipe inside real good, she will find this will help. It may take to be done a few times. If

before frying meat, she does the same, her food will not stick.

Mrs. Grace Kelly

Dear Amy:

What do you say to somebody when they call you up to babysit for nothing? This lady whom I used to babysit for hardly ever paid me. I would sometimes keep her kids all day while she ran back and forth. Oft times, she would call me and tell me to clean her house up because she was bringing someone home with her and she didn't want them to see her house dirty. I've cleaned her house spic and span several times. I've washed and ironed her clothes and kept her kids practically for nothing. When I babysit for her, she says she will be over in the morning to pay but she never shows up.

Lately when she calls me to babysit, I make some excuse for not going over there. What should I do with someone like this?

Wanting to Know

Dear Wanting:

Stop making excuses and tell her the truth. In the future, should she ask you to 'sit', do so only if you want to . . . and be sure you get paid in ADVANCE!

Dear Amy:

I love candy but my mother and father tell me not to eat candy between meals. So when am I supposed to eat candy?

Candy Lover

Dear Candy:

After meals!

Dear Amy:

I am the sister of the 'Candy Lover' and I also have a question to ask you. I am in second year high school and I'll be 17 years old. I want to know how to get a boy to ask me for a date to go to school dances and also other places.

How to Get a Date

Dear How:

If you don't have the 'know-how', send me your name and address and I'll fill you in.

## personal extension phones

SAVE MOTHER'S TIME, ENERGY AND DISPOSITION

Personal extension phones bring the calls to her, where she is—kitchen, bedroom or family living area. Save her steps, actually help her do two things at once (call the cleaner while she looks after baby). At night she enjoys the security, privacy and peace of mind of a phone at her bedside. And personal extension phones come in colors to suit every mother's good taste.

Who needs extension phone service most?

Families that make or receive five or more calls a day.

Families with one or more members active in school, church, civic or club work.

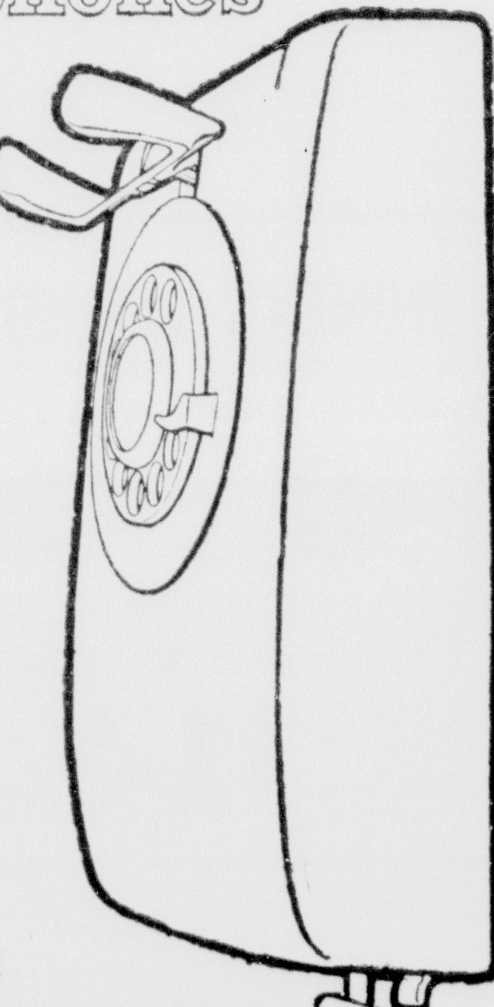

Families with active, popular teenagers or young adults.

If any of these conditions fit your family, the chances are you need extension phone service.

To order your personal extension phones—Princess, wall or table models—call the telephone business office, or ask any telephone serviceman. Why not order yours today?
